ABOUT US

MERINT GROUP with operations around the globe is one of the market leaders, providing customized solutions in interior fit out, glass, construction, property development and nuclear medicine industries. Merint started its operations in the UAE four decades ago, and has a firm foot in the entire region with its unquestionable financial stability. In the words of the Founder cum Chairman of the Group, Mr. Fazal Ali Manekia, "Merint has built a hard earned reputation as it has steadfastly held firm to its impeccable belief systems and work culture, building a brand that stands for world class quality and service"

Merint Furniture Factory L.L.C. (MFF) Erstwhile Princess Palace Furniture Factory L.L.C. established in 1995 is an ISO 9001:2008 certified company. In a very short duration after MFF took over Princess palace, it has established its name in the region, as one of the pioneers in manufacturing customized Kitchen Cabinets, Wardrobes, Doors and Vanities with Aluminium frames, HPL sheets, solid wood etc. In addition, it also supplies stainless steel kitchens.

MFF boasts of a well-balanced team which consists of veteran members who have been with the organization since its inception giving their expertise in the field along with young and energetic members having creative minds and 'can do' attitude.

MFF's flexible yet sustainable procedures, systems and products are carefully developed keeping in mind the requirements of the region including the clients, architects and consultants. A strong backing from a Group established four decades ago along with MFF's Quality, timely delivery and the best after sales service have set it apart from its competitors. Value added services like site survey, planning & designing ensures quicker progress of the projects and has helped to achieve 100% customer satisfaction. MFF's repute in the market stands proof!

OUR CLIENTS

OUR QUALITY POLICY

"Quality is never an accident; it is always the result of high intention, sincere effort, intelligent direction and skillful execution; it represents the wise choice of many alternatives" __ William A. Foster

Merint constantly strives to adhere to best quality standards. The Strict Quality checks by the Quality inspectors during each stage of work in progress, ensures that there is no compromise and Merint is thus able to surpass the expectations of the client.

The methods and practices adopted are developed after a very critical study of responses from architects, designers, suppliers and end users for years. Our operations are driven to handle queries, critical situations, feedbacks and challenges in an efficient and effective manner.

Merint's responsive approach ensures quick turn around to customer enquiries/orders leading to great customer satisfaction.

Merint Contracting is the prestigious winner of the 'MOST REFERRED CONTRACTOR' award from Dubai Mall.

SAFETY PLAN

Pocket Safety Handbooks are given in each site which includes information on:

- A "Blacks Museum" showing photographs of hazardous areas, accident victims and unsafe situations, damaged tools and protective equipment to be exhibited.
- Safety helmets to be worn by all personnel on site.
- Training courses organized by Ministry of Health.
- Footwear to have adequate hard sole so as to provide sufficient protection.
- Safety belts, goggles and masks are provided to all workers to use when required.
- Edge protection to all slabs by the erection of a safety barrier. When safety barriers not feasible, personnel must wear a safety harness at all times.
- Electricity supplied throughout the site to be connected through the circuit breakers in the main distribution board and to comply with DEWA regulations.
- Hoarding: To restrict the entry of any unauthorized personnel the site to be surrounded by suitable hoarding. The entry and exit gates to be closed and padlocked during non – working hours.
- Edge protection around excavations to be given by MERINT as deemed sufficient by the project manager
- Protection of buildings and public outside the building area to be given by MERINT deemed necessary and to comply with any municipality regulation.
- MERINT to provide full time personnel on site suitably trained in elementary aid.
- A first aid box is present all times on site with contents of:
 - Panadol
 - Deep Heat
 - Tinture Iodine
 - Tinture Benzoin
 - Burnol
 - Cut band
 - Lotiondettol
 - Cotton
 - Rikocut spray
 - Salt tablets
 - Scissors
 - Vicks vaporub
- The MERINT safety officer make regular checks of the site with respect to his own personnel as well as those of the sub contractor/s, if any.
